

## Web Design and Maintenance Quick Sheet

### **\$800 Starting – Web Design Made with WordPress**

- Build based on samples and content you provide
- Theme customization
- Up to 5 pages
- Mobile responsiveness
- Three rounds of revisions
- 30 days of support after site completion

### **Additional Costs Not Charged by 1440**

- Domain name purchase through Google – Begins at \$12/year.
- Hosting – We recommend Flywheel; however, we will work with your preferred host.
- Plugins for additional functionality – Many of these are free; however, they will charge you if you want more customization.

### **Additional Services Offered by 1440**

- Site maintenance and hosting - \$65/month. Includes
  - Plug-in updates
  - WordPress updates
  - Daily backups
- Additional pages - \$50 for each new page added
- Cosmetic changes such as colors and fonts - \$25/change
- Additions or deletions of content - \$25/page

*Thank you for your interest in working with 1440!*
